5. Prior to their use on the development samples of all external facing and roofing materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.

6. Prior to their installation on the building, drawings to scale 1:5 and 1:20 fully detailing all new or replacement windows and doors shall be submitted to and approved in writing by the Local Planning Authority. The details shall fully describe the proposed materials, decorative/protective finishes, method of opening and glazing type and include cross sections for glazing bars, sills and heads etc. The works shall only be carried out in strict accordance with such details as are approved.

7. All re-bedding and re-pointing works shall be carried out using a lime based mortar only. The Council's conservation officer shall be given 5 days' notice in writing of a meeting on site to approve the mix and finish. Works shall only be carried out in strict accordance with such details as are approved.

8. Prior to commencement of the works hereby approved a site meeting between the Council's Conservation Officer and the Contractor shall take place in order to determine the extent of repair and replacement of the historic fabric. The applicant/contractor shall give the Council's Conservation Officer no less than 5 working days notice in writing of this meeting.

9. All works of repair to the internal wattle and daub walls and their timber frames shall only be carried out by a suitably qualified specialist appointed by the applicant and agreed in writing with the Local Planning Authority. The works of repair shall not commence until a method statement and specification for repair have been submitted to and approved in writing by the Local Planning Authority. Works shall only be carried out in strict accordance with the details as are approved.

10. No works to the render or plaster finishes shall take place until a specification, which includes full details of the mix, finish and extent of new or replacement works, has been submitted to and approved in writing by the Local Planning Authority. Work shall only be carried out in strict accordance with the details as are approved.
11. No part of the development that would obstruct Public Footpath Bangor 7 shall take place until an application to divert the public footpath has been approved. Details of such approval shall be submitted to the Local Planning Authority.
