Reason(s)

1. To comply with Section 18 of the Planning (Listed Building and Conservation Areas) Act 1990.
2. To comply with section 71ZA (2) of the Town and Country Planning Act 1990.
3. To ensure that an approved species Conservation Plan is implemented, which protects bats affected by the development.
4. To ensure that the development has a positive benefit for biodiversity i.e. a better outcome than if the site were left undeveloped, which will be in place for the lifetime of the development, in accordance with Policies GDP1 and EC6 of the Wrexham Unitary Development Plan.
5. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
6. To ensure that adequate visibility is provided at the proposed point of access to the highway in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
7. To ensure the works reflect the character and appearance of the building in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
8. To ensure the works reflect the character and appearance of the building in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
9. To ensure the works reflect the character and appearance of the building in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
10. To allow an adequate analytical record of the building to be made, before conversion, to ensure that the buildings origins, use and development are understood and the main features, character and state of preservation are recorded.
11. To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment.
12. The building is closely adjoined by a residential property and it is therefore considered necessary to strictly control the nature and intensity of the use of the building in the interests of residential amenity, in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.

Note(s) to applicant

The accuracy of the detailed plans and drawings forming part of the application documents hereby approved shall remain the responsibility of the applicant/developer.

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the

potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting the Council's Environmental Health and Housing Standards at: healthandhousing@wrexham.gov.uk or on 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise. The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Environmental Health & Housing Standards Team on 01978 292040 for further advice and information.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environmental Health & Housing Standards Team on 01978 292040 for further advice and information.
