Hi Rhodri

I write with regard to the consultation response you sent through in respect of application P/2022/0017 (Land east of Bryn Lane, Wrexham).

Please can you confirm if there are any conditions you wish to be imposed on any approval given. In your response, with regards to foul water drainage you state that you would seek to control points of communication via planning conditions but none are requested. Drainage reports were submitted with the application—I have attached a copy in case you had not previously been made aware of these.

Thanks

Sarah.
