Mike,

No problem.

We will need to contaminated land condition discharging so I'd suggest putting these details in at the same time.

Matthew,

The facing brick that we proposed (blockleys Wrekin Berkshire red) is no longer available. You approved the materials on 10/11/21.

We'd like to use fortterra's moray red mixture, which is fairly similar to the Wrekin – both mid reds.

Are you ok with this?

Mike.
