

- Notes:
1. The Contractor should check all heights, sizes and dimensions on site before works commence and any errors should be reported to Woodsyde Developments Limited.
 2. Figured dimensions shall take preference to scaling, with any errors reported to Woodsyde Developments Ltd.
 3. The access is compliant with Manual for Streets.
 4. Junction visibility has been provided in accordance with Manual for Street given the rural nature of the roads and highway approaching the property and in the knowledge the county highways are effectivey single vehicle width.
 5. There will be no increase in traffic movements with the proposals as the access will serve existing properties.
