Description of Proposed Works

Please describe the proposed works

Current timber sash windows are beyond repair.

Planning approval required to fit new timber sash double glazed windows in the heritage style to ensure they are like for like.

Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The current sash windows have been damaged due to extensive water damage over 20 years causing rot. The gutters have been leaking over the windows.

The sash cords are broken. The windows do not open. The timber is damaged internally. Possibly by the squatters that lived in the property.
