Hi Tim,

I've just sent your first email to the validation officer who will contact you on the requirements for an application to discharge the conditions. If you could provide this email when prompted, this will satisfy condition no.9. Tom Knight will be approved.

Have you looked at condition no. 6 yet?

Thanks
Sharon

Sharon,

My apologies for a second email but I forgot to comment on condition 9 of the permission.

I assume this will be satisfied by your approval of our appointee for the role of Ecological Clerk of Works?

As we have done previously we would intend appointing Tom Knight from Marches Ecology to this role and trust this would be acceptable to you? He is the author of the Ecological RAMS submitted as part of this application, so is fully aware of the commitments made in that document.

Kind Regards,

Tim
