Hi Sharon,

I have planted 4 of the Montana clematis different colours. 4 rose climbers again different colours. 2 x Fatsia 2 x Andromeda. 3 x gladioli. I will be planting lots of Lavender too. All plants are divided in 3 planters.

Kim

Hello Kim,

Thank you for the attachments, this is really useful and the mix will work really well. Could you just confirm how many of each type/species will be planted in total please?

Many thanks

Sharon

Good afternoon Sharon,

Please find attached the plants that I have placed in my planters thus far. I thought it would be easier to take pictures of the cards. I have also taken photos of how the planters are looking.

Regards

Kim
