LL13 7NN

Appeal. Ref P/2021/1051

Dear Sir/Madam,

Apologise for sending from my works e-mail.

I am strongly appealing against the planning application at 31 Watery Road Wrexham. My concerns are that on many many occasion [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] there is always sacks of rubbish being left outside the gate sometimes blocking the pathway and we have seen rats in the rubbish. Also we do not appreciate having our door banged on doorbell rang numerous times after midnight [REDACTED]

[REDACTED] and this has happened on a few occasions. There is also the problem with parking, it is already a nightmare and would be made worse if this application was passed. Also at one point [REDACTED]

[REDACTED]. This area used to be a lovely area but for the past few years it has been a scary place to live to the point of being afraid to go out of your own front door. There are already a large number of HMO accommodation in this area.

Could we please request an acknowledgement of this e-mail to the appeal so we can keep it on our records.

Kind regards

Michelle Davies
