

P/2022/0336 at Kronospan Ltd, Holyhead Road, Chirk 11/4/2022

Good morning Simon,

Having checked the information held within the Historic Environment Record I can confirm that there are no impacts to any recorded archaeology for Wrexham Planning Application P/2022/0336 at Kronospan Ltd, Holyhead Road, Chirk.

The modern factory buildings screen the current gatehouse from many of the local assets and the proposed building will have very slight to negligible impact on the setting of the Pontcysyllte Aqueduct and Canal World Heritage Site.

Kind regards,

Neil
