Dear Hannah

(James / Cerys – for information)

Re: P/2022/0448

Please find attached the Departments response to the consultation on the proposed extension at Ballswood Quarry, Wrexham.

The response sets out our consideration of the Agricultural Land Classification survey undertaken for the site, followed by our view on the proposed application and wider worked area within the existing permitted boundary. Having considered this proposal the Department for Climate Change wishes to express an **OBJECTION** to the application in the long term national agricultural interest.

Myself and James are available tomorrow afternoon (27th May) between 1:30 and 3:30pm if you would like us to set up a quick Teams call to go through our response? Please let me know as soon as you can if you are available and I can send a meeting invite.

Regards

Arwel
