Dear Sir/Madam,

Site: Cefn Ucaf Lane From Bryn Awel To finger Farm, Llangollen.
Development: Erection Of Roof Between Two Agricultural Buildings And Erection Of Cover To Slurry Pit.

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

Dwr Cymru Welsh Water are not the sewerage operator for this area and it appears the applicant does not propose to connect to the public sewer, we therefore have no further comments regarding sewerage.

The proposed development may be subject to Schedule 3 of the Flood and Water Management Act 2010. The development therefore may require approval of Sustainable Drainage Systems (SuDS) features, in accordance with national standards, and is strongly recommended that the developer engage in pre-application consultation with the Local Authority, as the relevant SuDS Approval Body (SAB), in relation to their proposals for SuDS features. Please note, Dwr Cymru Welsh Water is a statutory consultee to the SAB application process and will provide comments to any SuDS proposals by response to SAB consultation.

Should it be determined that SAB consent is not required, we request that if you are minded to grant Planning Consent for the above development that the following Advisory Notes listed below are included within the consent to ensure no detriment to existing residents or the environment and to Dwr Cymru Welsh Water's assets.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.

If you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com

Please quote our reference number in all communications and correspondence.

Yours faithfully,
