Dear Sir/Madam

Grid Ref: SJ385496 338592 349637
Site: Warehouse Abbey Road South Wrexham
Development: EXTENSION TO EXISTING STORAGE FACILITIES

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

We would inform you that a public sewer is crossing the application site. We have attached a copy of the public sewer record indicating the location of these assets. We would therefore request that the following be included in any planning consent you are minded to grant:

The proposed development site is crossed by a public sewer with the approximate position being marked on the attached record plan. No development (including the raising or lowering of ground levels) will be permitted within the safety zone which is measured either side of the centre line. For details of the safety zone please contact Developer Services 0800 917 2652.

The developer must contact us if a sewer connection is required under Section 106 of the Water Industry Act 1991 or any alteration to our apparatus is proposed prior to any development being undertaken.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.

If you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com
