Hi Sharon

Tried phoning you today but they said you not very well , hope you on are feeling better.

We have secured a private parking area from the council .It is about 2000sq mts and once laid should be able to accommodate approximately 100 cars which should be well adequate and also in a much safer area than the other car parks on the estate as hardly any passing traffic to the entrance of our building. The amount of area to be used for the trampolines and interactive equipment is approximately 1450 sq mts. Area of car Park and entrance to our building marked on attached map .
