Good afternoon Sharon,

The material that the client has chosen is the **K-render Silicone Scraped Texture**, in the colour **Cream**.

I have attached a link of the website of the product.

<https://www.k-rend.co.uk/colour-swatches/silicone-scraped-texture>

I hope this is sufficient information and we are agreeable for the decision to amended and re-issued with the approved materials.

If you require further information or if you have any questions, please do not hesitate to get in touch.

Regards
