re VAL 2020/0231 Glebe Farm

I attach a supporting statement containing details as requested. Also a detailed spec for the floodlights and an annotated site plan.

I trust these are now adequate for you to validate the application.

Let me know if you require anything further

Bob

Good afternoon.

I now have in hand to put together the information you requested to validate the application.

Hopefully you will have it in ten to fourteen days.

best wishes
