Annwyl / Dear Mr Jones,

**Application for listed building consent: Ruabon Railway Station, Station
Road, Ruabon, Wrexham, LL14 6DL**

Thank you for notifying us of this application for listed building consent for the conversion of the former railway station from offices to a dwelling and associated works. Ruabon Railway Station was listed for its special interest as an early (1860s) railway station in 'Tudor Gothic' revival style despite the loss of its platform canopy. The proposed works will preserve the special character of the elevations. The listing does not describe the interior but the ceilings and partitions proposed for removal/replacement appear to be late of little or no historic interest.

Yn gywir, Yours sincerely,

Richard Suggett
