Electricity Act 1989: Overhead Lines (Exemption) (England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption) (England and Wales) Regulations 2009:

SP Energy Networks propose to replace an existing overhead line to the west of the exiting overhead line. The proposed overhead line is indicated by a dashed red line on the attached plan no. E108539: the existing line to be dismantled is indicated by a dashed green line. The area is situated within a gently sloping valley, together with trees and buildings which should help to mitigate the visual impact of the structure.

The Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours faithfully

A handwritten signature in black ink, appearing to be a stylized 'D' or 'M'.

For Land & Planning Manager
