Hi Sharon,

Further to your email below these are the dimensions:-

The upper limit of the width is 12 m the length is 17 m and the Height is 9 m.

The lower limit of the width is 10 m the length is 15 m and the Height is 8 m.

If you require any further information, please do not hesitate to contact me.

Kind regards

Jason

Dear Sir,

I refer to the recently submitted planning application and I wish to inform you the following information is required in order to validate the application:

- Where scale is a reserved matter, the application must state the upper and lower limit for the height, width and length of all buildings included in the development proposed.

Once this information has been provided either in plan or tabular form I will be able to validate the application.

Kind Regards

Sharon Williams
