Subject: [DKIM:INVALID] P/2021/0943 Discharge of Condition 3 (Archaeological WSI) for P/2020/0105

Dear Sir or Madam

Thank you for the consultation on this discharge of conditions application.

I can confirm that the WSI submitted by Aeon Archaeology satisfies the first half of the watching brief condition. The condition will be fully satisfied when the archaeological watching brief has been completed, a report submitted and approved and the digital archive has been submitted to the HER at CPAT and the NMR, RCAHMW.

Kind regards

Mark Walters
