Many thanks for your assistance,
Kind regards,

NRW Case ref: CAS-163938-Q5W5

Hi Mared,

I've cc'd you into an email regarding the file link provided by the applicants on 07/12/21 – unfortunately with that type of fileshare we have to check with I.T.C. before opening the link and I'm waiting on hearing back from them. We've had a major IT issue this week so they haven't been able to get back to me with the ok yet.

Also, with Christmas fast approaching we are not going to be able to provide a response until the New Year as I will need to send this to our Geoscience team once I have clearance on accessing the file. Would it be possible to agree an extension on this D.O.C. until 14th January? I apologise for this but I'm wary of annual leave running over into the first week in January – of course if I am able to I will forward a response sooner.

If I do not hear back from you I will assume there is no problem with the extension,

Many thanks for your assistance,
Rachael
