Subject: 1017 R&R ENGINEERING - SITE NORTH OF OAK ROAD WREXHAM - CIVILS DESIGN PACKAGE FOR PLANNING
Attachments: FW: R&R Engineering - REQUEST FOR DISCHARGE CONSENT

Dear Gareth,

Please follow link below for the Civils Design Package (Drainage & External Surfaces) for the site north of Oak Road, Wrexham.

<https://we.tl/t-8roUtXEA8a>

Please note:

1. We have submitted a request to Wrexham City Council for an unconditional Discharge Consent to discharge controlled flows from both site into an existing WCC highway drain flowing to Clywedog River, see attached.
2. Once we receive the Discharge Consent from WCC Highways, we will submit both scheme packages to the SuDS Approval Body (SAB) in WCC for a detailed approval, which will enable the package to sail through planning.

Kind regards,

Alexious Mavhunga

Associate Director
