

The diagram illustrates a roof layout with various features labeled in red and green. The layout includes several ridges and valleys, indicated by dashed lines. A chimney is located on the left side, and another chimney is located on the right side, both marked with a square symbol. A green dashed line indicates a lean-to roof section on the right side, labeled "Lean-to roof below". The labels "Ridge" and "Valley" are repeated for different sections of the roof.
