

In pursuance of its powers under the Acts and Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant	WREXHAM COUNTY BOROUGH COUNCIL	Code Number	WRC P/2021/0783
Agent	MR KEITH EDWARDS WREXHAM COUNTY BOROUGH COUNCIL HOUSING AND ECONOMY RUTHIN ROAD WREXHAM LL11 7TU	Date Received	05/08/2021
		Decision Date	16/09/2021

Town and Country Planning Act, 1990

Location of application

LAND SOUTH WEST OF, 41 BALA ROAD, CAIA PARK, WREXHAM, LL13 9LG

Description of application

MAN PARCIO ARFAETHEDIG ODDI AR Y STRYD / PROPOSED OFF STREET PARKING

In reaching this decision the Council has had regard to the relevant policies in the Wrexham Unitary Development Plan which are as follows:-

GDP1	Development objectives
PS2	Development and the environment
T8	Parking

Revision	Date	Description of Decision
0	16/09/2021	Planning permission issued
1	07/12/2021	Approval of details submitted in respect of condition 05.

Particulars of decision that permission be GRANTED Subject to the following:-

Condition(s)

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.
2. Prior to first use of the development the site shall be laid out in strict accordance with layout plan(s) No. QW01, QW01-b.
3. No private surface water run off shall be permitted to flow from the development site onto the adjoining highway. An Aco drain or similar shall be

Applicant	WREXHAM COUNTY BOROUGH COUNCIL	Code Number	WRC P/2021/0783
Agent	MR KEITH EDWARDS WREXHAM COUNTY BOROUGH COUNCIL HOUSING AND ECONOMY RUTHIN ROAD WREXHAM LL11 7TU	Date Received	05/08/2021
		Decision Date	16/09/2021

provided across the approved access to intercept any such run off prior to first use of the development.

4. No land drainage run-off or surface water shall be permitted to discharge or connect to the public sewerage system, either directly or indirectly, and foul and surface water shall be drained separately from the site.

5. No development or phase of development, shall commence until the following components of a scheme to deal with the risks associated with contamination at the site, have been submitted to and approved in writing by the Local Planning Authority:

1. A preliminary risk assessment which has identified:
 - all previous uses
 - potential contaminants associated with those uses
 - a conceptual model of the site indicating sources, pathways and receptors
 - potentially unacceptable risks arising from contamination at the site
2. A site investigation scheme, based on (1) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.
3. The results of the site investigation and the detailed risk assessment referred to in (2) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.
4. A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in the remediation strategy in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.

The remediation strategy and its relevant components shall be carried out in accordance with the approved details.

Date Approved: 07/12/2021 **Reference Number:** P/2021/1010

By: Wrexham County Borough Council

Approved Details: Stage 1&2 Contamination Assessment, November 2021, R3044-R01-v1, Smith Grant LLP.

Applicant	WREXHAM COUNTY BOROUGH COUNCIL	Code Number	WRC P/2021/0783
Agent	MR KEITH EDWARDS WREXHAM COUNTY BOROUGH COUNCIL HOUSING AND ECONOMY RUTHIN ROAD WREXHAM LL11 7TU	Date Received	05/08/2021
		Decision Date	16/09/2021

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.
2. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
3. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
4. To protect the integrity of the public sewerage system and prevent hydraulic overloading of the public sewerage system. To protect the health and safety of existing residents and to ensure no detriment to the environment in accordance with Policies GDP1 and EC13 of the Wrexham Unitary Development Plan.
5. To ensure the risks associated with contamination at the site have been fully considered prior to commencement of development as controlled waters are of high environmental sensitivity; and where necessary remediation measures and long-term monitoring are implemented to prevent unacceptable risks from contamination.

Note(s) to applicant

As the proposed development exceeds 100m² gfa, the proposed development will require SABs consent prior to commencement. Further advice on compliance with condition no. 05 may be obtained by contacting the Council's Environmental Protection Team on 01978 298989 or contaminatedland@wrexham.gov.uk

Should the investigation identify contamination issues that may affect receptors other than the site users e.g. groundwater, then it is recommended that these works are also addressed in consultation with the Housing and Public Protection Department prior to commencement of works on site. All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to

Applicant	WREXHAM COUNTY BOROUGH COUNCIL	Code Number	WRC P/2021/0783
Agent	MR KEITH EDWARDS WREXHAM COUNTY BOROUGH COUNCIL HOUSING AND ECONOMY RUTHIN ROAD WREXHAM LL11 7TU	Date Received	05/08/2021
		Decision Date	16/09/2021

neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting Environmental Health and Housing Standards at: heathandhousng@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to

Applicant	WREXHAM COUNTY BOROUGH COUNCIL	Code Number	WRC P/2021/0783

		Decision Date	16/09/2021

burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"? 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are reconsulted and reserve the right to make new representation.

If you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com

All works at the site must be carried out in accordance with PPG6: 'Working at construction and demolition sites' which are available on the following website:

The activity of importing waste into the site for use as, for example hardcore, must be registered with Natural Resources Wales as an exempt/permittable activity under the Environmental Permitting Regulations 2016. The developer should contact Natural Resources Wales to discuss the necessity for an exemption/permit for any material imported to and exported from the site.

If during construction/excavation works any contaminated material is revealed, then the movement of such material either on or off site should be done in consultation with Natural Resources Wales. Any waste excavation material or building waste generated in the course of the development must be disposed of satisfactorily and in accordance with Section 34 of the Environmental Protection Act 1990. Carriers transporting waste from the site must be registered waste carriers and movement of any Hazardous Waste from the site must be accompanied by Hazardous waste consignment notes.

Waste produced during the construction phase of your development must be dealt with appropriately and be in line with all relevant waste legislation including Duty of Care Regulations and Hazardous Waste Regulations. As part of your waste duty of care you must classify the waste produced:

- before it is collected, disposed of or recovered
- to identify the controls that apply to the movement of the waste
- to complete waste documents and records
- to identify suitably authorised waste management options
- to prevent harm to people and the environment.

Any waste removed from site will be subject to waste management controls. The links below provide information on how to classify waste and register as a waste carrier or hazardous waste producer:
