

Tree Works, Rhostyllen, Wrexham Ref PP-10101640

Statement of Applicants Reasons

Wrexham CBC intends to construct a footpath / cycleway along the old railway line, Rhostyllen, Wrexham. The construction of the footway / cycleway is hoped to encourage active travel, improve existing links and health and wellbeing. Three trees have been identified that require felling to allow the path to be constructed along the 'desire line'.
