Dear Sharon

Further to my email below. We are due to provide you with our formal response in relation to the above planning application on 04/09/2021.

However, on this occasion we require additional time to allow time for the applicant to answer our request for clarification in my previous email. I am also on leave after today until 11/10/2021. We would therefore like to request an extension until 14/10/2021.

We will assume that our request is acceptable and that you agree to the extension, unless you confirm otherwise.

Please be assured, we will submit our formal response as soon as practical. However, if you have any queries about this, please do not hesitate to contact us.

Kind regards,

Rhys

Dear Sharon

Thank you for re-consulting us on this application. As you know, since our initial response letter in December 2020 we have published an evidence package outlining phosphorus levels for all river SACs across Wales, and therefore this application now needs to be screened thorough HRA.

No information has been submitted on foul drainage with the application. I would therefore be grateful if you could ask the developer how foul water will be dealt with. Will it go to main sewer or to a private system?

Many thanks

Rhys
