The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting Environmental Health and Housing Standards at: healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can

be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

Following the commencement of Schedule 3 of the Flood and Water Management Act, the works as proposed may be required to obtain approval from the SuDS Approving Body (SAB) prior to commencement of those construction works. Further details of the SAB, the new national standards, the pre-application advice service and the application for approval process can be found on the Wrexham CBC's SAB webpage:
