Please see below acceptance for the proposed £2500, I've asked the question in relation to doing a cross department transfer so they can manage the works. But we do have acceptance which will hopefully discharge the condition.

Hi Mark,

Yes this will be acceptable, the improvement will complement the newly installed bridge at the end of this short section of path.

Many thanks

Morning Alasdair

I understand that Keith O'hanlon has been in discussion with yourself in relation to a condition within the planning application. Sharon in planning has recommended we make contact with yourself to agree a way forward and then confirmation your happy with the proposal to discharge the condition.

As this is only a small project we are looking to offer the below;

- Approx. 20m length of 1.2m sloping bitmac path between steps from Ffordd Offa to Park path including timber edgings = £2,500.

Could you confirm that this is acceptable?

Regards
