Annwyl Syr/Madam / Dear Sir/Madam,

BWRIAD / PROPOSAL: EXTENSION TO EXISTING OFFICE TO BE USED AS A RECEPTION

LLEOLIAD / LOCATION: MAELOR FOREST NURSERIES LTD, ELLESMERE ROAD, BRONINGTON, WHITCHURCH (MINOR)

Thank you for consulting Cyfoeth Naturiol Cymru / Natural Resources Wales about the additional information which we received on 15/11/2021.

We have no objection to the proposed development as submitted and provide the following advice.

Foul Drainage

Having considered the additional information submitted (Site Plan, BioKube systems info) we raise no further concerns regarding this matter. However, if a private drainage solution is to be progressed, the Applicant will need to apply for an Environmental Permit from us. It is important to note that a grant of planning permission does not guarantee that a permit will be granted, should a proposal be deemed to be unacceptable (either because of environmental risk or because upon further investigation, a connection to mains sewer was feasible). The Applicant is therefore advised to hold pre-application discussions with our Permitting Team on 0300 065 3000, at the earliest opportunity, to try to ensure that there is no conflict between any planning permission granted and the permit requirements.

Protected Species

We note that there is no information about protected species with the application and, therefore, are assuming that your Authority has screened the application and concluded that there is not a reasonable likelihood of protected species being present.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Rhys Jones
