Dear Bryn

Thank you for consulting us on the above application.

The Design and Access statement by Carter Jonas mention Appendix 3: Ecological Appraisal

Also, section 3.6. of the document says:

“With respect to biodiversity and local environment, an Ecological Impact Assessment was undertaken as part of this application to assess the impact of the proposed development.”

I cannot see the that Ecological Impact Assessment or an Ecological Appraisal has been submitted.

Please can you request these documents from the developer and forward them to us when you receive them.

Many thanks

Rhys
