About Us

Cast iron superstore is the largest distributor of cast iron guttering and cast iron downpipes in the UK, which also includes cast iron soil pipes and ornamental hopper heads, all at the best prices.

At Hargreaves' foundry we have access to the largest stocks of all cast iron rainwater products in both painted and primed options. These include: Plain half round cast iron gutters, beaded half round cast iron gutters, OG cast iron gutters, G46 cast iron gutters, Notts OG cast iron gutters, Plain deep half round cast iron gutters, Round cast iron downpipes, square cast iron downpipes, rectangular cast iron downpipes. Plus full range of cast iron fittings, ornamental hopper heads and a full selection of cast iron soil pipes and fittings.

We offer first class customer service, the customer is always right attitude. With our many years experience in the rainwater industry we are able to give all our customers a truly satisfying working relationship.

We supply direct to both trade and public & offer the most competitive prices along with the best quality cast iron products on the market.

What we offer:

- * Speedy delivery of cast iron both primed and painted
- * Full take offs from architect drawings
- * Bespoke and specially manufactured items, including hoppers & special angles, pipes and fittings
- * Huge stocks of the best quality cast iron in the UK
