

Here are some examples of the fixtures and fitting we would like to use.

M Marcus Cheswell Door Handles, Matt Black Rustic Iron - FB3100 (sold in pairs)

Product Details

- Matt Black Powder Coated Finish
- A simple black door handle on backplate, with a straight lever and a rectangular shaped backplate, part of the latest smooth, black iron range from M. Marcus
- To meet modern design preferences M. Marcus have removed the deep surface indentations found in traditional black ironmongery. Leaving only the natural surface grains to create a rustic yet smoother contemporary appearance. These black iron door handles will complement traditional solid wooden and hollow flush doors
- Available in Lock, Latch, Bathroom, and Euro Profile Lock Style
- Dimensions - Backplate: 178mm x 48mm, Lever Handle: 110mm, Projection: 52mm, Plate Thickness: 10mm
- Sold & Supplied In Pairs Complete With Square Spindle Bar & Fixings including stainless steel screws to avoid rusting
- Matching Accessories Available, Please See 'Related Products' Below
