Entry Name/No	STONE CHIMNEY AT PENTRE SAESON FOUNDRY / 206
Street No, Name	

Location

Close to the B5102, between Brymbo and Bwlchgwyn.

History

The foundry was probably established in the late C18 by John Wilkinson, and the chimney is likely to be largely an original feature.

Exterior

Tall circular chimney of stone rubble laid in large blocks, with capping; upper stage above capping is brick. Two semi-circular headed openings with brick dressings on opposite sides at ground level.

Interior

Listed

An integral part of the very rare surviving small foundry complex at Pentre Saeson.
