Dear Sharon

Borras Quarry planning application reference VAL/2021/096

Further to your email dated 26 April 2021 regarding the planning application for the importation, processing and storage of road planings at Borras Quarry and the importation and storage of bitumen coated asphalt chippings (pre-coated chippings) as requested please find enclosed:

- Schedule 1 - a pre-application consultation (PAC) report;
- drawing reference BRE/BO/06-21/22565 showing the elevations and floor plan for the proposed storage shed;
- and Appendix C – elevation of the crushing and screening plant.

As a result of the pre application consultation Breedon Trading Limited propose that the importation and exportation of materials associated with the planings recycling operations are limited to the hours of 0730 and 1800 Monday to Friday and 0800 and 1300 on Saturdays. The shorter working hours than those approved for the main quarry are in response to consultation comments and the advice from the Environmental Protection Officer. We should be grateful if you would advise if the planning application forms and application letter held by Wrexham County Borough Council need to be updated to take account of the proposed working hours for importation and exportation of materials associated with the planings recycling operations.

We trust that the information provided is sufficient to validate the planning application and look forward to receiving confirmation that planning application reference VAL/2021/096 is validated. Should you have any queries or require any further information please do not hesitate to contact us.

Yours sincerely

Laura Cherry
