Good Morning,

Our Reference: 8150093742

Please find enclosed a letter relating to your request. Based on the information given and the address provided, Wales & West Utilities have no apparatus in the area of your enquiry.

Our records show those pipes owned by Wales & West Utilities (WWU) in its role as a Licensed Gas Transporter (GT). Service pipes, valves, syphons, stub connections, etc. may not be shown but their presence should be anticipated. No warranties are therefore given in respect of it. They also provide indications of gas pipes owned by other GTs, or otherwise privately owned, which may be present in this area. This information is not information of WWU and WWU is unable to verify this information or to confirm whether it is accurate or complete.

If you have any questions please let me know.

Many Thanks

Sophie
