Good afternoon,

Our Reference: 8150093334

Please find enclosed a copy of the requested plan and our general conditions, for your reference.

Our records show those pipes owned by Wales & West Utilities (WWU) in its role as a Licensed Gas Transporter (GT). Service pipes, valves, syphons, stub connections, etc. may not be shown but their presence should be anticipated. No warranties are therefore given in respect of it. They also provide indications of gas pipes owned by other GTs, or otherwise privately owned, which may be present in this area. This information is not information of WWU and WWU is unable to verify this information or to confirm whether it is accurate or complete.

The plan must be printed in A3 size and will also need to be produced in colour. If this is not possible, we can send you a hard copy if requested.

Any questions please let me know. Thanks

Kind Regards,
