Sharon I thought you had a response off me regarding the capacity. A contribution will be required for Primary if Alexandra is still a 315 school. No contribution for secondary. This response is based on current capacity and ongoing developments within that catchment. Paula as client will confirm if she requires the contribution
Thanks
Denise

Hi Sharon

Denise will be able to confirm that the primary schools within the town centre are regularly oversubscribed during the annual admission round. Town centre secondary provision has sufficient capacity so would not require a contribution.

Kind regards

Paula
