

LEGEND(Representative of most common features)

Waste networks:		
Foul chamber	Surface water chamber	Outfall
Combined chamber	Combined sewer overflow	Storm Overfall
Special purpose chamber	Private sewer	Rising main
Treatment works	Private sewer subject to Sect. 104 adoption agreement	Gravity sewer
Pumping station	Private Sewer Transfer	Lateral Drain
NB: Sewer symbol colour indicates the type.	Inspection Chamber	
RED - Combined		
GREEN - Surface Water		
BROWN - Foul		
Purple - Former S24 sewers (for indicative purposes only)		

Notes:

Whilst every reasonable effort has been taken to correctly record the pipe material of DCWW assets, there is a possibility that in some cases pipe material (other than Asbestos Cement or Pitch Fibre) may be found to be asbestos cement (AC) or Pitch Fibre (PF). It is therefore advisable that the possible presence of AC or PF pipes be anticipated and considered as part of any risk assessment prior to excavation.

Dŵr Cymru Cyllynedd (the Company) gives this information as to the position of its underground apparatus by way of general guidance only and on the understanding that it has not the best information available and is not warranted as to its correctness in the event of excavations or other works made in the vicinity of the Company's apparatus. The error of locating apparatus before carrying out any excavations made entirely on your. The information which is supplied by the Company is done so in accordance with statutory requirements of sections 104 and 105 of the Water Industry Act 1991 which is based upon the best information available and, in particular, but without prejudice to the generality of the foregoing, it should be noted that the records that are available to the Company may not include the existence of water mains, storm pipes, drains, lateral drains or other pipes and any excavation apparatus laid below 1.5 metres below ground level, or if they are, the potential third party and position of the pipes may not be accurate. It must be understood that the furnishing of this information is entirely without prejudice to the provisions of the New Roads and Street Works Act 1991 and the Company's rights to be compensated for any damage to be anticipated.

EXACT LOCATIONS OF ALL APPARATUS TO BE DETERMINED ON SITE.
