

ELEVATION C

Materials:

Roof:

- High quality reconstituted slate to match local vernacular Welsh slate (or similar to Local Authority approval).
- Single ply flat roof membrane to rear single storey section, finished in decorative aggregate to match local vernacular Welsh slate (or similar to Local Authority approval).

Walls:

- Brickwork, red ('Oast Russet Sovereign Stock' by Terca, or similar to Local Authority approval).
- High quality reconstituted stone details and bands to feature gables, eaves, gable copings and signage zones (or similar to Local Authority approval).

Windows:

- High quality slender framed double glazed wood grain effect uPVC windows, black (or similar to Local Authority approval) with opaque glass 'look-a-like' panels where identified.
- High quality reconstituted stone window heads and cills (or similar to Local Authority approval).
- Conservation rooflights, black.

Doors:

- High quality double glazed wood grain effect uPVC entrance doors, black (or similar to Local Authority approval).
- Black polyester powder coated steel service/escape doors.

Note:

This drawing should not be scaled unless for planning application purposes. Work to figured dimensions only.

All dimensions and levels to be checked on site.

Land registry title and ownership boundaries are produced by Studio KMA using all reasonable endeavours. We cannot be held responsible for scale discrepancy of plans supplied to us.

Any discrepancies should be reported to Studio KMA at the address below.

This drawing should not be reproduced without written permission from Studio KMA.
