Hi Sharon,

Thank you for the recent consultation on the above discharge of condition.

In principle the proposed scheme would appear acceptable but no information is provided regarding parts ii and iii of the condition:

- ii) Specify the responsibilities of each party for the implementation of the SuDS scheme, together with a timetable for that implementation; and,
- iii) Provide a timescale for implementation, management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime.

This information is required prior to advising further.

Many thanks

Neil
