TOWN AND COUNTRY PLANNING ACT 1990

TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Location: O. S Grid Ref: 3388 5805 East View, Cobblers Lane, Burton

Development: Steel portal framed agricultural livestock building

I refer to your consultation dated 21 August 2018 in respect of the above.

The Design and Access statement refers to a proposed expansion to the existing dairy herd operations at the site.

There is potential for the expansion of the dairy herd to increase the traffic generated at the site in terms of additional feed, deliveries, milk tankers etc.

Can you please ask the applicant to provide details of the current traffic movements at the site in relation to the size of the existing herd. Also please provide numbers of the proposed size of the herd and indicate the likely increase in traffic generation as a result of these proposals.
