

P/2021/0652 Floodlights at Rhosnesni High School 9/7/2021

Hi Simon,

I can confirm that the Education Department support the application for floodlights as we are working in partnership with the school and the FAW to install a new 3G pitch on site as part of a wider strategy to develop football in Wrexham. Please let me know if you require any specific evidence to support the application.

Thanks

JM
