

In pursuance of its powers under the Acts and Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant	MR & MRS E MORISSON	Code Number	HAN P/2021/0188
Agent	MR TECWYN WILLIAMS THE OLD BAKEHOUSE HIGH STREET FARNDON CH3 6PU	Date Received	18/01/2021
		Decision Date	19/08/2021

Town and Country Planning Act, 1990

Location of application

, BRYN NEWYDD FARM, HALGHTON, HANMER, WHITCHURCH, , SY13 3DS

Description of application

TRAWSNEWID GAREJ I YSTAFELLOEDD GYFANHEDDOL A DREIF NEWYDD I GYNNWYS ARDAL PARCIO /
CONVERSION OF GARAGE INTO HABITABLE ROOMS AND NEW DRIVEWAY TO INCLUDE PARKING AREA

In reaching this decision the Council has had regard to the relevant policies in the Wrexham Unitary Development Plan which are as follows:-

EC4	Hedgerows, Trees and Woodland
EC6	Biodiversity Conservation
EC9	Listed buildings of special architectural or historic interest
GDP1	Development objectives
H3	Residential conversion of buildings outside settlement limits
PS2	Development and the environment
T8	Parking

Revision	Date	Description of Decision
0		Planning permission issued

Particulars of decision that permission be GRANTED Subject to the following:-

Condition(s)

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.
2. The development shall only be carried out in strict accordance with the details shown on the approved drawing(s) numbered, 1:500 site plan

Applicant	MR & MRS E MORISSON	Code Number	HAN P/2021/0188
Agent	MR TECWYN WILLIAMS THE OLD BAKEHOUSE HIGH STREET FARNDON CH3 6PU	Date Received	18/01/2021
		Decision Date	19/08/2021

PROPOSED Revision D (20.07.21), NOTES Read in conjunction with 1:500 site plan, WD01, WD02, Section show arch/pitching eye treatment 1:50, E-mail from agent dated 6/11/2018 and as contained within the application documentation.

3. The landscaping scheme approved as part of this application shall be fully implemented in strict accordance with approved drawing no. 1:500 site plan PROPOSED Revision D (20.07.21), NOTES Read in conjunction with 1:500 site plan, within three months of the first use of the development with the exception of soft landscaping which shall be carried out in the first planting season (November to March) or seeding season (April to September) following the first use.

4. The planting scheme implemented in connection with condition no. 3 shall be permanently retained. Any planting which becomes severely damaged or seriously diseased, or is in poor physiological condition and/or are removed without the written permission of the Local Planning Authority shall be replaced within the next available planting season by trees or shrubs of similar size and species to those originally required to be planted.

5. Prior to first use of the development the site shall be laid out in strict accordance with layout plan(s) No. 1:500 site plan PROPOSED Revision D (20.07.21), NOTES Read in conjunction with 1:500 site plan.

6. Prior to first use of the development hereby approved the vehicular access shall provide visibility splays of 2.4 metres x 33 metres in both directions measured to the centreline of the adjoining highway. Within these splays there shall be no obstruction in excess of 1 metre in height above the level of the adjoining highway. The splays shall thereafter be permanently retained clear of any such obstruction to visibility.

7. There shall be no gates or other means of enclosure across the vehicular access point within 5 metres of the highway boundary.

8. Prior to first use of the vehicular access hereby approved, the access shall be surfaced with hard bound materials (e.g. bituminous macadam) for a minimum distance of 5 metres behind the adjoining highway.

9. No private surface water run off shall be permitted to flow from the development site onto the adjoining highway. An Aco drain or similar shall be provided across the approved access to intercept any such run off prior to first use of the development.

10. Prior to first use of development a verge crossing to the site shall be constructed in strict accordance with Highway Authority adoptable standards.

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.

Applicant	MR & MRS E MORISSON	Code	HAN P/2021/0188
Agent	MR TECWYN WILLIAMS THE OLD BAKEHOUSE HIGH STREET FARNDON CH3 6PU	Number Date Received	18/01/2021
		Decision Date	19/08/2021

2. To comply with section 71ZA (2) of the Town and Country Planning Act 1990.
3. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
4. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
5. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
6. To ensure that adequate visibility is provided at the proposed point of access to the highway in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
7. In the interest of the free and safe movement of traffic on the adjacent highway and to ensure the formation of a safe and satisfactory access in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
8. To ensure that no deleterious material is carried onto the highway, in the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
9. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
10. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.

Note(s) to applicant

A licence should be obtained (as required by section 184 of the Highways Act 1980) from the Highway Authority in order to cross the highway verge at the new access position. Further guidance can be obtained from the Highways Department of Wrexham County Borough Council on telephone 01978 729670.

Natural Resources Wales notes to applicant:

Environmental Management

All works at the site must be carried out in accordance with PPG6: 'Working at construction and demolition sites' which are available on the following website:

<http://www.netregs.org.uk/environmental-topics/pollution-prevention-guidelines-ppgs-and-replacement-series/guidance-for-pollution-prevention-gpps-full-list/>

The activity of importing waste into the site for use as, for example hardcore, must be registered with Natural Resources Wales as an exempt/permittable

Applicant	MR & MRS E MORISSON	Code	HAN P/2021/0188
Agent	MR TECWYN WILLIAMS THE OLD BAKEHOUSE HIGH STREET FARNDON CH3 6PU	Number Date Received	18/01/2021
		Decision Date	19/08/2021

activity under the Environmental Permitting Regulations 2016. The developer should contact Natural Resources Wales to discuss the necessity for an exemption/permit for any material imported to and exported from the site. If during construction/excavation works any contaminated material is revealed, then the movement of such material either on or off site should be done in consultation with Natural Resources Wales. Any waste excavation material or building waste generated in the course of the development must be disposed of satisfactorily and in accordance with Section 34 of the Environmental Protection Act 1990. Carriers transporting waste from the site must be registered waste carriers and movement of any Hazardous Waste from the site must be accompanied by Hazardous waste consignment notes.

Foul Drainage

The developer/applicant should ensure that the existing septic tank has sufficient capacity to accommodate any increase in flows from the proposed development. The Applicant should note, it is a legal requirement to apply for an environmental permit or register an exemption with us. Septic tanks and small sewage treatment works may be registered as exempt from the requirement to obtain an environmental permit if certain criteria are met.

Please note, should a permit be required, further information may be required as part of that application and the Applicant is therefore advised to hold pre-application discussions with our Permitting Team on 0300 065 3000, at the earliest opportunity, to try to ensure that there is no conflict between any planning permission granted and the permit requirements.

If the Applicant already holds an exemption / permit, they should check whether the proposed increase in flows would require a further application to be made for a new / varied permit. It is important to note that a grant of planning permission does not guarantee that a permit will be granted, should a proposal be deemed to be unacceptable (either because of environmental risk or because upon further investigation, a connection to mains sewer was feasible). The Applicant should ensure that they have all the required permissions, consents, permits and any other approvals in place prior to commencement of works on the site.

More information, including a step by step guide to registering and the relevant application forms are available on our website. Where private sewage treatment/disposal facilities are utilised, they must be installed and maintained in accordance with British Standard 6297 and Approved Document H of the Building Regulations. We also refer the Applicant to Guidance for Pollution Prevention 4 on the NetRegs website, which provides further information.

Applicant	MR & MRS E MORISSON	Code Number	HAN P/2021/0188
Agent	MR TECWYN WILLIAMS THE OLD BAKEHOUSE HIGH STREET FARNDON CH3 6PU	Date Received	18/01/2021
		Decision Date	19/08/2021

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Planning & Regulatory Department on 01978 292040 for further advice and information.

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If however there are urgent or unavoidable circumstances requiring works outside of the specified times, permission to proceed may be sought by contacting Environmental Health and Housing Standards at: heathandhousing@wrexham.gov.uk or 01978 292040. Please use the same
