Hi David,

I have just received a response from education confirming that a contribution to primary education facilities is required for the 15 two bed units in the amount of £29,400 (15 x £1960).

Apologies that it has taken so long to get a response for you.

Kind regards  
Sharon

Hi Sharon

Denise will be able to confirm that the primary schools within the town centre are regularly oversubscribed during the annual admission round. Town centre secondary provision has sufficient capacity so would not require a contribution.

Kind regards

Paula
