Dear Philip,

In relation to the proposed redevelopment on Land off Shocklach Road, Threapwood and the Flood Consequences Assessment (FCA) produced by Weetwood in April 2018 (Ref: 2845/FCA/Final/v1.2/2018-04-26), for your attention, please find attached a letter of response to rebut comments made by Natural Resources Wales (NRW) in relation to the assessment of climate change and the proposed mitigation measures for site.

Should you have any queries, please do not hesitate to contact me.

Kind Regards
