Good Day,

Thank you for the opportunity to comment on this planning application. Please find our response noted below:

With Reference to the above planning application the company's observations regarding sewerage are as follows:

As the proposal has minimal impact on the public sewerage system I can advise we have no objections to the proposals and do not require a drainage condition to be applied.

To help us provide an efficient response please could you send all responses to APPlanning@hdcymru.co.uk rather than to named individuals, including the HD ref within the email/subject.

If you would like a copy of this in Welsh, please let us know.

Kind regards,

Asset Protection Team
