Hello Matthew

The noise report methodology and conclusions look fine to me.

EP has no objections to the proposal.

Regards Nick

Nick,

The attached relate to an outstanding planning permission for land north of Total Fitness –essentially it is an extension to the existing Gower Homes development that took place on a section of former gym car park.

We have raised concerns about the potential impact in respect of noise and disturbance from the proposed addition parking spaces (coloured yellow on the attached plan) for the dwellings with curtilages adjoining the site boundary. The applicants have submitted a noise assessment in response to this concern. I would be grateful for your comments.

Regards

Matthew Phillips
