Dear Phil,

Matt Ellis has confirmed that this is the relevant up-to date information. I trust this is of assistance, please let me know if you need any further clarification.

Thanks,

Dear Ruth,

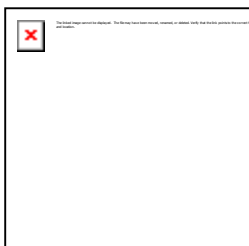

Thanks for providing NRW's official response on this matter following the informal discussions between the applicants and Matt Ellis.

I agree that it would be a good idea to draw together the documentation that I believe we are working to on this. Please see attached an amended site plan and correspondence from the applicant's consultant TEP outlining off site contributions for gcN and butterfly. This is the documentation I believe we are working to.

Please let me know if there are any further comments or if you believe I have missed anything.

Kind regards

Phil
