Subject: P/2018/0674 Land north of Gatewen Road, New Broughton

Dear Philip

Thank you for the consultation on this application.

Information held in the Historic Environment Record indicates that there are no recorded archaeological sites within the development area. The Heritage Impact Statement submitted by EDP also confirms a low archaeological potential for the site and no significant setting impact for Gatewen Hall. We would therefore have no objection to the proposed development at this location.

Kind regards

Mark Walters
