Subject: The Elms - P/2018/0597 Condition 05 Samples

Matthew,

We can confirm that we propose to use reclaimed Welsh Penrhyn purple/blue slates on the main roof together with plain blue/grey butt jointed ridge tiles (as existing).

Anna has commented previously about the scalloped slates on the entrance porch but these are no longer there and the previously replaced slates appear to be a blue/grey. Please see the attached photograph taken on the 9 August 2018. We would propose to replace these slates with reclaimed Welsh Penrhyn purple/blue slates to match the main roof and to reinstate the existing red crested ridge tiles. We do not propose to reintroduce the scalloped slates as these are no longer present.

Trusting this will be ok.

Regards,

Chris Edwards,
Senior Architect
